HEALTH FORMS

Health forms are required and must be submitted to camp **at least 2 weeks prior to your child's camp session**. Find forms online at www.greenbayymca.org. The Wisconsin Department of Children and Families requires that each participant's immunization history be on file at the site in case of emergency.

DAY CAMP CANCELLATION / REFUND POLICY

A two-week written notice is required to cancel your child's week of camp and receive any refund. If appropriate written notice is provided, you will receive your camp payment back minus a \$25 cancellation fee. Cancellations should be sent directly to the Camp Director. No refunds will be given with less than a two-week notice.

CAMP FEES

The fee for your first week of camp is due in full at the time of registration. If you are registering for multiple weeks of day camp, the balance for remaining weeks of camp **will be due on June 1, 2012**. You must arrange for automatic credit card or bank draft payment at the time of registration. YMCA membership is not required for participation.

PAYMENT PLANS

A customized payment plan is available to assist in the payment of camp fees prior to your child's camp session. Please contact the appropriate Camp Director to make arrangements.

FINANCIAL ASSISTANCE

Membership For All helps to ensure that everyone belongs at the YMCA, regardless of income level. The Y has a pricing model that makes participation accessible and affordable through a variety of contributions to the Y's annual Strong Kids Campaign. Please contact the appropriate Camp Director to make arrangements.
