MEMBERSHIP CATEGORIES

At the Greater Green Bay YMCA we offer a variety of membership categories based on age and family status. An individual YMCA membership gives you access to all four Green Bay area locations and all YMCA programs, either free or at reduced member rates. A family membership extends the benefits to all eligible members of your household including one or two adults and their dependent children age 22 and under living in the same residence.

MEMBERSHIP FOR ALL

"Membership For All" helps to ensure that everyone belongs at the YMCA, regardless of income level. The Y has a pricing model that makes membership accessible and affordable through a variety of contributions to the Y's annual support campaign. Collectively, we can make a difference and an impact for healthier living in spirit, mind, and body for all. With the help of our community we stay committed to being an affordable place where every body can come and exercise, play and connect with others.

METHODS OF PAYMENT

You may pay your YMCA membership dues and additional services in one of two convenient ways:

Bank/Credit Card Draft - An easy way to pay! Your checking or savings account is debited once per month for as long as you are a member. As another payment option, we can debit your credit card (MasterCard, Discover or Visa) once a month.

Annual Payment - If more convenient, dues may be paid in full upon joining and yearly thereafter. Payment is accepted via cash, check, MasterCard, Discover or Visa.
