

# KEEPING OUR YMCA SAFE

## GREEN BAY YMCA CHILD WATCH MEMBER GUIDELINES

Now included with your Y Membership! We are excited to share that effective June 15, 2020 our Child Watch service is free to our members. The child must be a Y member (household, youth or adult + child) to use Child Watch.

### Healthy Environment

- All staff and members will be screened for their temperature and respond to 2 health questions as they enter the Y facilities.
- Children will wash their hands with soap and water upon entry and as needed during their time at the Y.
- The staff will disinfect frequently touched surfaces and objects between reservation groups. A cleaning checklist will be followed by our staff to ensure thorough sanitizing of supplies and spaces.
- Our Y staff will wear a face covering or mask while working with children in Child Watch. We are smiling under there and excited to play with your child(ren)!
- Children may wear a face covering, but it is not recommended for babies or children under the age of two.
- As in the past, if your child is demonstrating any signs of cold, flu or COVID-19 symptoms please keep them home until they are symptom free for at least 72 hours without the use of medication.
- If a child begins showing any symptoms that are consistent with cold, flu or COVID-19, the child will be isolated from the rest of the group and the parent/guardian will be contacted to pick the child up from Child Watch.
- Children are social and physical beings and we understand that they may not have those developmental or cognitive skills to be able to maintain 6' of physical distance from one another. Kids are kids! We will use positive reinforcement strategies to build awareness of maintaining appropriate "personal bubbles" as well keeping hands and bodies from touching others.
- If your child needs a bottle or sippy cup, please have it clearly labeled for used by Child Watch staff. Bottles and cups will remain stowed away and will be returned to the diaper bag following use.

### Reservations & Group Size

- We will be maintaining small group sizes in our drop-in child care settings. The group sizes will be no more than 10 at any given time. This group size will include up to 8 children and 2 Y Child Watch staff.
- To maintain small group sizes during Phase I, reservations will be required and can be made up to 48 hours in advance online or at the front desk.
- Reservations may be made for 1 hour, with a limit of 1 reservation per day.
- There will be a 15-minute break between reservation times to allow for cleaning and sanitizing and for children to transition in and out of the Child Watch space.

### Check In and Check Out

- Families will be asked to maintain physical distance by having only 1 household present in the check-in/check-out space at a time.
- The check-in process will be "touchless" with staff using the reservation roster and electronic check-in and check-out of children in Child Watch.

### CHILD WATCH RESERVATION TIME SLOTS

Monday-Friday Mornings  
8:00 - 9:00 AM
