Kids Korner Parent Information

Kids Korner is a drop-in child watch service that offers a quality play experience in a safe environment while a child's parent/guardian/grandparent enjoys the Y facility. It is not a licensed childcare facility.

GENERAL GUIDELINES

1. Parents MUST remain at the same YMCA Center as their child(ren) while utilizing Kids Korner. Parents must remain in the facility.
2. The maximum time a child may remain in Kids Korner is 5 hours per day – 3 hours maximum consecutively, with at least a 1-hour break between visits.
3. Please check in and out yourself on the forms provided each time you use Kids Korner.
4. Kids Korner is designed for children ages 6 weeks to 7 years old. Older children are welcome, but please remember the environment is for the younger child.
5. NO SNACKS are permitted in Kids Korner. Sippy/no-spill cups may be brought in and must be labeled with the child's name. Labeled bottles can be given per your request and must be prepared by you ahead of time.
6. If the child experiences a long period of adjustment (i.e. continued crying after being comforted for 10-15 minutes), the staff will contact you to return to comfort your child, or remove from Kids Korner.
7. If the behavior of the child is inappropriate for interaction in a group setting, the parent will be notified. For extreme behavior, the YMCA reserves the right to ask that a child not return for a specified period of time.
8. Parents must furnish supplies in a LABELED bag. If not completely toilet trained, please use a pull-up, diaper, etc. and include wipes, extra pants, etc. Your child will not be allowed to stay in Kids Korner without the appropriate supplies.
9. Kids Korner will close early if there are no children checked in 30 minutes prior to the regular closing time.
10. As part of our security system, parents receive a numbered tag which corresponds to their child's label and the sign in sheet. The parent keeps this tag with them during their workout. These numbers are matched when the parent returns to pick up their child. The number must be returned to Kids Korner after each visit.
11. Shoes must be worn in Kids Korner. Exception: non-walkers. During the winter months when boots are worn and shoes are forgotten, boots will be worn.

 1. Monthly Pass Plan

14. Pay-As-You-Go cards expire after 1 year of non-use. These cards can be refunded if there is a \$10 or more balance. Cards under \$10 will be credited to your YMCA account. All refund requests/transfers are done by the Kids Korner Coordinator. No refunds will be given for the Monthly Pass Plan.
