

Welcome to the Y Learning Academy!

Below is a list of items that your child(ren) will need for our program. Each student will use their own basic supplies throughout the day. Check with your child's school supply list for specific items such as calculators, math / literature supplies.

Your child will have a designated spot to store their things (learning devices will not be stored on site) so we encourage you to put them in a container, or plastic bag, that is labeled with the student's name.

### **Academic:**

- 1 back-pack or book-bag (large enough for computer, learning supplies, etc.)
- 1 Learning device (Chromebook, iPad, etc). *Contact your child's school for questions on the proper device*
- 1 set of headphones or ear buds
- 1 charging cable for learning device. *Please have learning device charged before your child(ren) arrive to program. Thank you!*
- Your child's school schedule. *Bring the first day of program or it can be emailed to [shannon.haggerty@greenbayymca.org](mailto:shannon.haggerty@greenbayymca.org)*

### **School Supplies:**

- 1 Face mask (spare)
- 1 Water bottle (labeled)
- 1 glue stick or bottle of glue
- 1 crayons, markers and colored pencils
- 5 pencils (and /or pens)
- 1 notebook for homework

We will be active throughout the day so your child will need gym appropriate shoes to wear. We will also be going outside whenever weather permits so please have your child(ren) dress for outside fun!

Thank you,

Your Y Learning Academy Team!
