SAMPLE OF A CAMPER'S DAY

SHORT BUS RIDE TO CAMP

The bus ride goes really fast because the counselors are so fun! They have us singing songs, waking up cows, and laughing all the way to camp.

MORNING FLAG CEREMONIES

We say the pledge, and our counselors show us a silly skit to remind us of ways we can be honest, respectful, responsible, and caring at camp.

COUNSELOR TIME

Sometimes our counselor tells us stories, sometimes we play games, and sometimes we talk about stuff like friends and hobbies.

ACTIVITY TIMES

Our counselors are always showing us how we can help each other have fun, like helping to aim for the bullseye in archery.

BOATING

This is one of our favorite things to do. If the water isn't too choppy, we get to boat every week! Our lifeguard teaches us how to move forward, backwards, and turn around. The water is really shallow, and even if we're not strong swimmers, we are always safe by wearing lifejackets.

PROGRAM TIMES

We learn about nature, make crafts, build campfires, create skits, experience team building, play sports, and lots more.

LUNCH

We always have lunch with our counselor and the rest of our tribe. The counselors will sing songs during lunch, too, and we get to sing along. Don't forget to throw away your trash and always recycle!

SWIMMING

We get swim time every afternoon. Some people like to swim, others like to hang out on the beach and play in the sand. Sometimes, we work as a team to build really big sand castles.

SPECIALTY CAMPS, CAMP WABANSI

FOR AGES 10-14

Your camper might want a new challenge without missing their favorite Wabansi traditions. Specialty camps are made for your child. Our specially trained staff offer adventures and excursions during the week that allow campers to try something new while also being able to spend time at the camp they love so much. WEEK 3: June 24-28

WEEK 5: July 8-12

WEEK 9: August 5-9

Your group will be challenged with many outdoor skills including fire-building, basic first-aid, raft-building, and making shelters. They will create some awesome meals over the fire and their group will camp out in Wabansi's famous "Yabwe" campsite and experience a special tribal council ceremony.

Do not hesitate to come twice! Survivor camp changes each session based on our counselors' specialized knowledge and campers' unique interests.

TEAM LEADERSHIP, CAMP WABANSI

FOR AGES 14-17

COUNSELOR IN TRAINING | Offered all sessions, ages 14-16

The first step in unlocking leadership potential. Counselors in Training (CITs) learn fundamental leadership qualities as they participate in counselor shadowing, team-building challenges, and reflective seminar sessions. CITs build skills and strategies that will benefit them for years to come, and they have fun while doing it!

ASSISTANT COUNSELOR | Offered all sessions, ages 16-17

After completing a session as a CIT, teens looking to fully develop their leadership abilities become Assistant Counselors (ACs). This is the final step in Wabansi's program progression. ACs have the opportunity to plan and lead activities, operate the Camp Store, assist in supervising and managing groups of campers, and complete a service project that gives back to Camp. By working side by side with Wabansi Counselors, ACs learn what it takes to become a well-rounded and driven leader. **The AC program is FREE, but completion of the CIT program is required.**

Our Teen Leadership programs are designed progressively to develop competent and confident young leaders who seek to improve the world around them. The Teen Leadership Director and Teen Leadership Counselor work together to provide meaningful leadership curriculum and hands on learning opportunities. Both programs can be counted as volunteer/community service hours towards graduation and letters of reference can be written upon request. Campers will develop independence, confidence, and a deeper understanding of the YMCA core values; caring, honesty, respect, and responsibility.
