BUS RIDE TO CAMP

The bus ride goes really fast because we have so much fun! You'll get to experience sing-a-long songs and other camp traditions with your fellow campers, teen leaders, and counselors.

MORNING FLAG CEREMONY

When we arrive at camp, we head to the flag pole to apply sunscreen and bug spray. Once everyone has arrived, we all stand quietly and respectfully as our Counselors-of-the-Week raise the American Flag and lead us in reciting the Pledge of Allegiance. After the Pledge, the counselors perform a silly skit to remind us of ways we can practice our core values at camp; caring, honesty, respect, responsibility, and friendship. If there are no reminders or announcements, we break out into our cabin groups and get the party started!

DAILY ACTIVITIES

Every day, we will rotate through different activities with your counselor and cabin group. Tuesdays and Wednesdays we have "choice" time where campers get to sign up for themed activities planned and led by each of our counselors! On Tuesdays, we have "Tie-Dye Tuesday" where campers can bring or buy a t-shirt or bandana to tie-dye. On Wednesdays, we have "Weenie Roast Wednesday" where kids can bring hot dogs and buns to roast over a fire for lunch (we provide condiments). On Thursdays, we have "Themed Events" that our Teen Leaders help plan and setup which include all campers and staff, and fit the weekly theme. Thursday is also our optional overnight day where campers can spend the night at camp!

LUNCH

We all bring a bagged lunch from home and eat together in the pavilion with our counselor and cabin group. When we are all done eating, we clean up after ourselves and continue the fun!

BUS RIDE HOME

When the day is done, we get our belongings from our cabins and gather at the flag pole. We all stand quietly and respectfully as our Counselors-of-the-Week lower and fold the American flag. If there are no reminders or announcements, we break out into our bus site groups and line up by the buses for counselors to take attendance. Once we make sure everyone is on the correct bus, we hit the road!

When we arrive at our bus sites, we all stay together with our counselors until your parent or guardian comes with an acceptable form of identification to bring you home. Campers get to relax at home the rest of the evening, preparing for another fun day of camp tomorrow!

CAMP WABANSI is packed with awesome activities for kids to learn, have fun, and stay active throughout the summer... boating, swimming, hiking, biking, target sports, field sports, arts and crafts, songs and skits, team-building, fire-building, wildlife exploration...

and endless fun!

Our schedule is designed to let every cabin group experience each age-appropriate program area throughout the week so you'll get to try a little bit of everything. Whether it's one of your favorite activities or you're trying something new for the first time, your counselor will be there with you to help you learn or to simply join in on the fun.

Boating is one of our favorite camp activities, and we get to do it every week, weather permitting! We also love to swim, which we enjoy every day as long as the water is calm. Rest assured, we will only allow swimming and boating if conditions are safe and we have our certified lifeguard(s) on duty. Even though the water near camp is very shallow and you may be a boating expert, we require everyone to wear lifejackets while out in boats.

Some people love to swim and some people don't. Other activities offered during waterfront time include building sand castles, skipping rocks (in a designated area), searching for fossils and beach glass, playing basketball or 9-square, or just relaxing with your friends.

THURSDAY NIGHT SLEEPOVER

All campers have the option of sleeping over on Thursday nights with some of our counselors! When the buses leave, the fun begins... from big team games to campfire shenanigans, the overnighter is a great introduction to the magic of overnight camps. Your camper can spend the first few days making new friends and getting to know our camp and counselors, going home to decompress each night. By Thursday, your camper is familiar and ready to take the fun a step further by spending the night and going home Friday afternoon for the weekend. If they feel comfortable with the overnight, maybe they will feel ready to try an overnight camp like Greater Green Bay YMCA Camp U-Nah-Li-Ya.

When your camper stays overnight, camp provides Thursday dinner, Friday breakfast, and Friday lunch. To help cover the costs of the meals and extra fun, we charge \$50 for the overnighter.

Note: no overnight available Week 1.

Friends and family are invited to Camp Wabansi on Friday afternoons for our Friday Finale event. Join us in the amphitheater for skits, camper recognition, and an ice cream social!

If guests plan to bring their camper home after the event, they can stop at the check-in table, let the staff member know who they are there for, and provide an acceptable form of identification (the person must be on the camper's authorized pick-up list).

2:15 pm The Camp Director will welcome everyone to the event, give any announcements or reminders, and call the staff up to the stage to introduce themselves.

2:30 pm Each group will be called up to the stage to perform the skit or song they've prepared with their counselor(s). After each camper group has performed, the entire staff will perform the "counselor skit" together!

3:00 pm The Camp Director will share important announcements and then call up campers and their guests to each counselor for individual recognition. Each camper will receive a sticker for the core value they demonstrated that week, and first-time campers in the 2026 season will also receive our annual pin.

3:15 pm After camper recognition is concluded for each group, counselors will dismiss campers and their guests to the camp store where everyone will receive a free frozen treat!

- Campers who are accompanied by a parent/guardian can go with them to get their treats, peruse the camp store, introduce their guests to their counselor and the friends they made that week, and take a self-guided tour of camp where some staff will be scattered throughout to help give insight into each program area!

- Campers who are not accompanied by parent/guardian can go with their counselor to get their treats, peruse the camp store, and play in the sports field before gathering at the flag pole as usual and boarding the buses at 3:45pm.

NOTE: A staff member will be at the check-in table again after the event to checkout anyone who came late and wants to bring their camper home.

TEEN LEADERSHIP PROGRAM

OFFERED ALL SESSIONS

Our Teen Leadership programs are designed progressively to develop competent and confident young leaders who seek to improve the world around them. The Teen Leadership Coordinator and Camp Director work together to provide meaningful leadership curriculum and hands-on learning opportunities.

COUNSELOR IN TRAINING | AGES 14-16

The first step to unlocking leadership potential. Counselors in Training (CITs) learn fundamental leadership qualities as they participate in team-building challenges, shadow counselors throughout the day in all of our program areas, and get experience planning out, setting up, and leading activities such as tie-dye and the weekly themed event, in addition to operating the camp store. CITs build skills and strategies that will benefit them for years to come and have fun while doing it!

CIT CAMP FEES PER WEEK:

Y Members: \$285 • General Public: \$314

WEEK 1 (3-day week): Y Members: \$170 • General Public: \$185

WEEK 4 (4-day week): Y Members: \$228 • General Public: \$251

Thursday Overnight Fee: FREE (overnight is optional)

A variety of payment plans are available to meet specific needs and can be arranged by phone. The balance of the program fee must be paid in full before your camper's session.

Both Counselor in Training and Assistant Counselor programs can be counted as volunteer/community service hours towards graduation and letters of reference can be written upon request.

Teen Leadership programs develop independence, confidence, and a deeper understanding of the YMCA core values:

CARING

HONESTY

RESPECT

RESPONSIBILITY

FRIENDSHIP

ASSISTANT COUNSELOR | AGES 16-17

After completing a session as a CIT, teens looking to fully develop their leadership abilities can apply to become Assistant Counselors (ACs). This is the final step in Camp Wabansi's program progression. In addition to assisting in supervising and managing groups of campers alongside the Camp Counselor, whose group they are assigned to for that session, ACs will work to complete a service project that gives back to camp. By working alongside our counselors, ACs learn what it takes to become a well-rounded and driven leader who embodies our core values; honesty, caring, respect, responsibility, and friendship. The AC program is FREE, but candidates must apply and meet the age requirements. Completion of the CIT program is preferred.

HOW TO APPLY TO BE AN ASSISTANT COUNSELOR:

If your teen is interested in applying to be an Assistant Counselor, please go to the application link at greenbayymca.org/camp-wabansi. Applications are due by May 1st to allow adequate time to review applications and schedule virtual interviews before the summer camp season begins.

Following the interview process, if your teen is selected, you will be contacted by the Camp Director to complete their registration.
